Dear Parents and Sponsors

You are welcome in the National University- Sudan [NUSU] (www.nu.edu.sd).

In this Induction we present a quick summary of the programmes offered by the various faculties in NUSU. Please see the English Brochure.

NUSU is the higher educational arm of the National Company for Advanced Educational Systems, established according to Public Company Laws and its shares are available for all public and transferable in the Stock Market. It is the first and only ISO-certified higher education institution in the Sudan for quality of management and programmes. It is included in UNESCO and WHO lists of universities and its graduates are registrable by the General Medical Council, UK, and ECFMG, USA for work and studies. It has been named as the "Best Regional enterprise" by the European Business Assembly in Oxford.

Location

NUSU is located in Alraqi Area, to your left side when you are entering Khartoum from Medani Highway. When you reach the traffic light at the south-end of Sixteen Bashir Elnifaidi Street, make a U-turn and use the first right turn for 2 minutes’ drive. The road is self-leading to the Main Gate of the University. If you are coming from inside Khartoum, proceed towards Soba from the south-end of the Sixteen (Bashir Elnifaidi) Road, and take the first right turn to the NU [see map].

Please Visit

You may not imagine the design and quality of the infrastructures of the National University until you see by you own eyes. The overall setup is intended to remain an example of an environment-friendly institution that cares for customer satisfaction and innovative ideas that go beyond your expectations. Please inform the gatekeepers that you are a parent or sponsor and interested in visiting the overall institution or any particular department. It is more convenient if you can arrange your visit with an official in the NUSU through telephone or e-mail, as shown in the Contacts of Officials' list.

Application Form

Parents of international students need not visit physically to apply for university. An online form [Application Form] is available in the webpage www.nu.edu.sd for preliminary assessment of qualifications. An online feedback will be sent to the applicant.

Academic Calendars

Please see the Academic Calendars which describe the duration and dates of the courses offered. The calendars show the length of inter-semester and end of year holidays, as well as Eid breaks and dates of assessments. You may arrange the travel schedule of your child or spouse accordingly. Students, being motivated by the NUSU to contribute to Social Science.
